

Wyndham Park  
Nursery School

Dear Parents/Carers

We are all really excited to be taking part in Sport Relief 2018! As one of the UK's biggest fundraising events, Sport Relief brings the entire nation together to get active, raise money and change lives.

This year, following on from last week's learning about similarities and differences, we will be talking about the issues other children across the world face and how their lives might be different or similar to ours. By encouraging your children to see what's different we hope that the children will begin to understand how the money we raise can help them. We will be learning about, Awande, a three-year-old girl who lives in a township outside Cape Town. Her small home is built of wood and zinc; there's no room to play indoors and outside it's simply too dangerous.

To do our bit we are asking for donations to sponsor our disco. The children will be planning and preparing for the disco themselves, choosing music, exploring dance moves and creating small group routines which they will perform to one another at the end of the week!

To see the Go Jetters official Sports Relief song for our disco visit:

We really appreciate your support in raising lots of money for Sport Relief!

Yours faithfully

The Wyndham Park Team
